## Chapter 387: Tartaros Arc, Part Four: Father and Son

Your little breeze ain't gonna work on iron!!

Where have  
you taken  
my Gray-  
sama?!!

BOOM

RIGHT  
!!!

BOOM

BOOM

Come  
on!

Matters are  
not yet at a  
close!

...

***That  
wasn't  
the only  
Face!!!!***

So far, I've  
been able  
to detect  
about two  
thousand  
Faces.

How can  
this be  
happen-  
ing...?!

***Now they  
know what a  
continent-wide  
pulse bomb  
really looks  
like!!***

## Chapter 388: Erza vs. Minerva

What  
are you  
fighting  
against  
?!!!

I am  
the most  
power-  
ful...

I am...

GAH!

Will you  
come  
to your  
senses  
?!!!

You did  
it all for  
Saber  
Tooth,  
didn't  
you?!!

You were cruel  
during the  
Grand Magic  
Games...

I can't  
say it was  
justified,  
but I may  
be able to  
understand  
it.

They're  
saying a  
fight between  
us has no  
meaning!

The fists I  
use to hit  
you now are  
weeping!

That is  
why...

I accept  
it...

I realize  
that...

I am weak.

You are  
you.

I cannot...  
live within  
this body  
any longer.

I beg of  
you...

There are  
those who  
are waiting  
for you to  
return.

**Never  
forget  
that!**

This is  
what's wrong  
with you  
humans.

# RUMBLE

You take such pride in your self-important prattle about life and death.

How pitiful.

It's the Underworld King, Mard Geer!!

Wait...  
I've heard  
that voice  
before...

Who are you?!

Why did  
you have to  
interfere,  
Celestial  
King?

For pity's sake...  
Just when I thought  
all the garbage had  
been taken care of,  
here it is cluttering  
things up again.

So I can  
clean up  
some of  
the trash  
myself.

Fortunately...  
I have a bit  
of spare  
time on my  
hands.

*You*  
are the  
master  
of this  
guild?

I'll start  
with you...

What  
kind of  
magic  
power is  
that?!

Erza,  
run...

"There are  
those who are  
waiting for you  
to return."

Oh?

Your  
guild is  
Saber  
Tooth!

Fro thinks  
so also!

We're here  
to bring  
you home,  
Princess.

Long  
time, no  
see!!

## Chapter 389: The Twin Dragons vs. the Underworld King

A guild is  
as good a  
place for  
you as any.  
I will not  
stop you.

This world  
of magic  
is about  
to end.

Go back  
to your  
guild?

One of  
them,  
yes.

Face  
has been  
destroyed.

What  
was  
that?

If those were  
"Faces," then they  
are all over the  
land in incredible  
numbers.

Erza-san, on  
the way here,  
we saw a lot of  
creepy statues  
with faces on  
them.

In one hour, all of those Faces will go off.

One hour.

That's nearly three thousand magic pulse bombs...

Enough to wipe out all the magic on the entire continent.

He's  
going  
to be  
tough!

Be  
careful!

Erza, now!  
While you  
have the  
chance!

Fro  
will fight  
also!

Don't  
be a dolt!  
We're  
going with  
Erza-san!

Rogue...

Don't  
let  
those

as tough as  
Natsu-san!

**You  
hurt our  
friend!**

**BOON**

Every  
story  
has a  
beginning  
and an  
ending.

His tale  
began the  
day that  
Deliora stole  
everything  
he had.

Take this  
young  
man, for  
instance.

...and his  
father.

His  
home, his  
friends, his  
mother...

A day of  
calamity...

That was  
where this  
boy's  
story  
began.

A whirlwind  
of chaos so  
thick even  
prayers could  
not escape...

**Chapter 390: A Young Boy's Story**

Could Gray-sama be in trouble?!

A sense of foreboding ...

Get  
some  
rest!

I can...  
still...

Urn...

Ow...

We're  
just fine!

Besides...  
My nose is  
tellin' me  
some-  
thing...

**It is so  
terribly  
foolish, I  
can't help  
but love  
it.**

A  
destiny to  
fight each  
other?!

DOKAAM

I know...  
How about  
my body?

So...  
Where do  
I begin?

**This body  
is simply a  
vessel.**

**A dead  
body that I  
found lying  
around.**

**GRA**

**All the  
members of  
Tartaros are  
demons from  
the Book of  
Zeref.**

**That includes  
me, of course.  
My real body  
isn't human.**

**You  
remember  
me, don't  
you, Gray  
?!!**

**My  
name is  
Deliora!!**

**ABSOLUTE  
ZERO**

I see  
what shall  
pass!

He will fall  
into despair  
in the face of  
calamitous  
power once  
again...

choosing  
the path

## Chapter 394: Juvia vs. Keyes

Who knew a human could be this strong...?

I am well aware that Silver was apt to undermine our efforts.

However, that was no matter.

I was quite cognizant that his rage and thirst for revenge could be the key to prolonging his existence.

He had acquired power and learned the ways of the ice demon slayer...

And his purpose was revenge upon us.

Cruelty like that makes Juvia sick!!

Does it not fascinate?

Such a delightful marionette!

That is  
my story!  
The tale of the  
quest to create  
the perfect

Are you unable to send  
the ghost of that  
young man's father to

how your minds  
work!

And thus,  
the folly of  
humanity is  
proven yet  
again.

You allow your  
emotions to  
obstruct your  
reason!

## Afterword

I had thought up the story arc of Gray and Silver well before putting them in the Tartaros Arc, including pretty much how it ends, the ramifications, what becomes of Gray, and what becomes of Silver. They were all decided beforehand. And yet!!!! It was only right on the cusp before I started drawing their final battle that I realized **that something vital in the setup was wrong**, so to make sure that everything worked out logically, I had to change large portions of it in mid-stride. It was really rough! By the way, problems with the setup are a bad habit of mine.

In the past, too, I've had things wrong in the setup that caused a lot trouble and effort to patch. (Let this be a lesson that manga cannot be a slipshod affair.)

It really embarrasses me, so I won't go saying what it was in the setup that I got wrong or left out, but I think the final results didn't turn out too badly.

Now Gray is a demon slayer, but really, right from the very start, I figured that Gray would eventually become an ice dragon slayer, although that idea had to be rejected. I think it was rejected about the point when Gajeel showed up. But I recalled it about the time of his battle with Ultear because he had to stay an ice make wizard until at least that time. Then, just before the Grand Magic Games, I decided on making him a demon slayer. Now that Gray has obtained some really great power, keep your eyes on him!

**Mira:** Hi there!

**Lucy:** Hi there!!

**Mira:** That's out of the way. So let's make this fun!

**Lucy:** Right!

*Won't we ever see Aquarius again?*

: Sniff...

: Oh, dear...

**Lucy:** That's a question... I can't... have fun with...

**Mira:** We got a lot of this question.

**Lucy:** I... don't know what to say...

**Mira:** You don't need to say anything.

I'm sure you'll meet again sometime. Let's trust in that.

**Lucy:** Yes... Yes, I guess so.

**Mira:** Now, let's get the fun back into this! Let's take the next question, and have fun! Fun!!

*Mira-chan doesn't get to do very much during this story arc, does she?*

: Sniff...

: Oh, dear...

**Mira:** Yes, I know that I was quickly captured right at the beginning, and that it was Elfman who came in at the end to finish the fight with Seilah...

Continued on the right-hand page.

Continued from the left-hand page.

**Lucy:** No... I'm positive you'll play a really big role after this! I'm sure of it!

**Mira:** I think... I won't even show up again...

: No, no... See, I read a little bit ahead, so I know this for sure...

**Mira:** Really? Hold on. I'm checking Vol. 47...

: WAAAH...

**Lucy:** Mira-san!! Pull yourself together!!

**Mira:** Yeah... I'm all right...

**Lucy:** The story arc's not over yet! I'm sure you'll do something great! You know?

**Mira:** Yeah... Okay. We'll have fun with the next question.

*Will Wendy's hair ever go back to its original length?*

: Sniff...

: Sniff, sniff...

**Lucy:** Wendy... really looked good in her long hair.

**Mira:** It'll grow back! Hey, there's even magic that will allow hair to grow back, right?

**Lucy:** Yeah, right! I could get Cancer on it!

: Good! *This* is how we can have fun!

**Lucy:** He's a celestial spirit friend...

**Mira:** ?

**Lucy:** A celestial... Sniff...

**Mira:** Lucy?

: Waaah! I want Aquarius back!! Waaah!

**Mira:** Oh, dear...

**Lucy:** I'm... sorry... I couldn't help it... Sniff...

**Mira:** This is our very last question, and we're going to have fun with it!

**Lucy:** Yes, ma'am!

*Would you mind telling me Ichiya's measurements?*

**Mira:** ...

**Lucy:** ...

**Mira:** Okay, I think that's enough for this time.

**Lucy:** But *next* time, we're going to have so much fun!

**Mira:** See you!

**Lucy:** Bye-bye!

: Can't you guys answer a simple question?! Meeeeeeen!

FROM HIRO NASHIMA

Recently, I've been chasing both weekly and monthly deadlines, so I've been incredibly busy. And at the end of each month, I have two deadlines at exactly the same time, and I have to have two different *name* (sketch manga for editorial review) ready for my editors. Hm... # Translation Notes:

Japanese is a tricky language for most Westerners, and translation is often more art than science. For your edification and reading pleasure, here are notes on some of the places where we could have gone in a different direction with our translation of the work, or where a Japanese cultural reference is used.

## Page 132, Vambrace

A vambrace is the piece of a suit of armor that covers and protects the wearer's forearm. In the manga's original *kanji*, it is written, "Demon King's Forearm Armor," however the entire attack name had a pronunciation guide which only had the English word "Vambrace"

## Page 157, Welcome home, Gray-sama.

Over the past decade or so, maids have been a popular fetish in Japan. The concept of a pretty, young, obedient, servile girl in a revealing French maids outfit is hardly new. But with the dawn of "maid cafés," where girls dressed up in maid costumes call the customer "Master" and make every effort to please, the concept went mainstream. The standard greeting when one enters a maid café can be translated to, "Welcome home, Master." That is the greeting that Juvia, in her maid costume, is alluding to on the title page of this chapter. (By the way, although some women visit maid cafés, the majority of their clientele is men. Butler cafés, which came later, cater more to a female clientele, and may be staffed by men or by women in drag.)
